UNITED METHODIST WOMEN

LOUISIANA CONFERENCE

THE UNITED METHODIST CHURCH

Compiled and edited by:

Mrs. J. A. Stinson, Chairperson

Mrs. Richard Hoffpauir

Mrs. Robert H. Bruppacher, Jr.

Mrs. G. W. Dameron

THE EMBLEM

The official emblem for The United Methodist Church combines the cross and a flame symbolizing the Holy Spirit. The emblem for United Methodist Women likewise includes the cross and flame.

The cross and flame are ancient symbols of the church dating back to the days of Christ and Pentecost. Each evokes images of sacrifice, witness and service. They remind us of both the opportunities and obligations of discipleship. Paul's ancient words to Timothy have fresh and contemporary meaning: "...I now remind you to stir into flame the gift of God which is within you." (II Timothy 1:6a - NEB)

As part of the emblem for United Methodist Women these symbols remind us of our PURPOSE, that of helping women to grow in their understanding of and willingness to participate in the mission of the church. These also remind us of our heritage, of women who pioneered in the service for the church at home and abroad and in organizing women for mission service and support in many areas of need.

The shape of the emblem is likewise symbolic. It is fluid and free-flowing, suggesting change and mobility. As organized groups of women, this has been our heritage. Often at the forefront of movements for change, at times supporting the projects initiated by others, but always aware of the times and striving to move with them rather than be overwhelmed by them.

The cross, the flame, and the individual with her abilities and opportunities—all elements of a 20th century movement for United Methodist Women.

PURPOSE

The organized unit of United Methodist Women shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

—Article 3 of the Constitution

Credit will not be received for this supplementary giving but the funds will go through the treasurer. If anyone wishes to do something other than sending money, they are asked to knit sweaters for children, sizes 5-12.

A meeting of the Committee on the School of Christian Mission will be held on January 3, 1976 in the home of Mrs. Carruth in Bunkie.

Minutes of the previous meeting were read and approved after corrections were made.

Examiners appointed for the minutes were Mrs. Cecil Read and Mrs. Arthur Bezette.

Mrs. Perry reported on a meeting of the Committee on Program held November 1, 1975 in Newman Church and brought the following recommendations from that committee:

1. The Committee recommends that Mrs. Martin Wagnon serve as Chairperson of the Annual Meeting Program Task Group.
2. The Committee recommends that the Chairperson of the Annual Meeting Program Task Group (Mrs. Martin Wagon), the Dean of the School of Christian Mission (Mrs. Cecil Read), and the Chairperson of the Committee on Membership (Mrs. Edward Carruth) be added to the Committee on Program for this year.
3. After much discussion on special recognition to local units engaged in mission studies, the Committee recommends that a task group be formed to develop plans for preparing evaluation forms for sending to all local units. The Committee recommends that Mrs. Marcus Burks head the Task Group with Mrs. Nathaniel Perry and Mrs. Warren Blakeman assisting her.
4. The Committee recommends that a Task Group be formed for the purpose of developing a slide presentation built around the 4 mission areas that can be taken around and shared with the individual districts and local units. The Committee recommends that Mrs. Robert Eggerton serve as Chairperson of this Task Group.
5. The Committee recommends that the Conference sponsor a Legislative Workshop in 1976.

Mrs. Perry moved the acceptance of these recommendations. The motion carried.

A report of the mission Coordinators Team Meeting held on November 15, 1975 was given by Mrs. Brock. She stated the following recommendations submitted by the Mission Coordinators Team:

1. That changes in Constitution and Bylaws be included with the President's call letter for Annual Meeting.
2. That a task group be appointed to study feasibility of a Newsletter being prepared, perhaps semi-annually, and mailed to all District Officers and Local Presidents. This would contain helpful information from each Conference Officer.
3. That the Committee on School of Christian Mission consider providing at the School a "Library" of loose-leaf 8½x11" notebooks containing **Conference** Officers' brochures, information, communications, etc. that women might want to secure copies of through some system of "paid request." It is also recommended that each District provide a write-up of successful Local Programs, projects, events, etc. to be included in a **District** notebook, copies of the contents also available upon "paid request." The request to Districts for possible materials could be included in the Dean's call letter for the School. It was suggested that the Conference Secretary and Mission Coordinator for Supportive Community be in charge of the "Library" at School.

Mrs. Brock moved the acceptance of these recommendations. The motion was seconded and carried.

Mrs. Ward reported that all 5 women selected to attend the Legislative Training Event in Oklahoma City, February 1-3, 1976, would have their expenses covered by the Conference and Jurisdiction. They are Mesdames John Blackman, Mark Foster, A. J. Palazzo, Arthur Johnson and Miss Donna Hendryx.

Mrs. Dameron moved that we recommend the District audits be made by public accountant as recommended by the Women's Division. The motion was seconded and carried.

Mrs. Dameron also moved that the deadline for making the slate of nominees be known at the time the Conference and District Presidents send out their call letter prior to the Annual Meetings. The motion was seconded and carried.

A report of the Task Group to consider the possibility of printing a separate booklet on Bylaws and Standing Rules was given by Mrs. Dameron. The following recommendations were submitted:

1. That a mimeographed copy of the Bylaws and Standing Rules, as revised to date and based on the **Constitution and Bylaws for Local Units, District and Conference Organizations, United Methodist Women**, Revised 1975, be provided for each member of the Conference Executive Committee.
2. That only Standing Rules for Local Units and the District Organization be printed in a separate section of the Directory and Annual Report.
3. That copies of amendments approved at Annual Meeting be provided for members of the Conference Executive Committee.

4. That amendments to the Bylaws and Standing Rules, adopted at the Annual Meeting, be included in the Minutes of the Meeting.

Mrs. Dameron moved the acceptance of these recommendations. The motion carried.

Mrs. Ward introduced and welcomed Mrs. Lois Kohler, Staff Member of the Women's Division.

Mrs. Durham reported that she would have copies of the "Workbook of Living Prayer" available for purchasing after the conclusion of the meeting. Mrs. Brock suggested that we endeavor to develop small groups, either in our local church or neighborhood, for the purpose of using and sharing the workbook. She said this manner of using the book would have greater benefits over using it individually.

Mrs. Bennett distributed copies containing a brief synopsis of items discussed at a meeting of the National Regional Advisory Committee held November 21-23, 1975 in Nashville. She asked that we pass on to Mrs. Kohler any ideas or suggestions which we feel have or have not been working in our local units.

It was announced by Mrs. Ward that Mrs. Compton has accepted the responsibility of chairing the District Elected Leaders Workshop to be held October 23, 1976 at Palestine Church in Pineville.

Mrs. Ward appointed a Task Group for the purpose of selecting criteria for honoring retiring Conference Officers with Mrs. Compton to serve as Chairperson and Mrs. Bennett, Mrs. Brubacher and Mrs. Wiley B. Gardner to assist her. Mrs. Ward requested the group to report their findings at the February Mid-Year Executive Committee meeting.

A radio series entitled "Women of Faith," to be aired January 18, 1976, was announced by Mrs. Ward. The committee was urged to watch for the series and publicize it in our Districts and Local Units.

Members of the Committee were urged to share their books from the Reading Program with the shut-ins, prison libraries, nursing homes, hospitals, etc. and to encourage this sharing in Local units also. This suggestion was received in a letter from the Women's Division.

Mrs. Ward announced the dates for the Jurisdiction Meeting to be held in Kansas City. They are April 2-4, 1976. Anyone may attend the meeting. Committee members were asked to pass this information to their Districts and Local Units.

Mrs. Durham moved that we send Mrs. Johnson as our delegate to the ERA Training Session being held January 22-23, 1976 in Washington, D.C. Mrs. Johnson will be paying her room and board expenses with the Women's Division paying for her transportation. She was asked to report back to the Legislative Workshop scheduled for 1976. The motion was seconded and carried.

Mrs. Burks reported that the Task Group on recognition of excellence of mission studies is preparing for distribution a brochure containing all the requirements, questions and answers, for local units.

Mrs. Burks urged all members to write their Congressmen asking them to sponsor the passage of bills HR1690, HR5845 and HR6233. These bills will allow certain tax deductions to corporations that have declined in their giving of their medical products to charitable agents. This, in turn, will benefit Methodist mission hospitals and clinics if the bills are passed.

The remainder of the meeting was spent in compiling the Conference Evaluation Report.

The meeting closed with the group singing "Praise God, From Whom All Blessings Flow."

Mrs. Bruppacher moved that a Task Group be appointed to study the validity of the Annual Report/Directory. Each session will have 6 hours of study and everyone attending will take part in the Bible study.

Mrs. Read stressed the importance of registering early for the school and promoting this in the local units, as well as notifying the registrar if one is unable to attend after registering.

Mrs. Read discussed briefly a special opportunity which will also be a part of the school this year, a Resource/Learning Center. Conference Officers, districts and local units will be given the opportunity to contribute any materials which would be of interest to those attending the school. These materials will be available for purchasing at that time. Details are to be further worked out by the Task Group appointed to do so.

A number of unique ways for publicizing and getting women to attend the School of Christian Mission was discussed. District Presidents were reminded that, again this year, they would be responsible for name tags for women attending from their district.

Constitution and Bylaws: Mrs. G. W. Dameron, Chairperson, distributed copies of a new booklet in which she has brought up-to-date the constitution, bylaws, and standing rules, including all amendments, of the Conference, Districts and Local Units. Mrs. Johnson refunded to the treasury a total of \$62.00 unused by the above mentioned participants, stating that each one had paid her registration fee. She suggested it would be helpful to Ms. Donna Hendryx to have the conference reimburse her \$3.00 registration fee. Mrs. McGowan moved that, in view of the fact that the delegates were returning to the treasury a portion of the funds given to them, the conference reimburse each of the 4 women their registration fee as well as paying Mrs. Johnson's telephone expenses incurred while preparing for the Legislative Training Event. Mrs. Calvin Seconded the motion and it carried.

Mrs. Johnson read the following recommendations from the delegates who attended the Jurisdiction Legislative Training Event and moved for their acceptance:

1. That the Conference hold a Conference-wide Legislative Training Event partly financed by the Conference.
2. Each District will be responsible for sending not less than 6 delegates nor more than 9.

1. That the Conference Executive Committee look into the possibility of conducting a Legislative Workshop at Camp Istrouma, provided the camp is available, during a week in May when the legislature is in session, with the alternative of asking the United Methodist Women in Baton Rouge to open their homes to the delegates if the camp is not available.
2. That the conference pay up to \$60.00 to each district, plus mileage for one car per district, for the Legislative Workshop. This figure will give a maximum of \$15.00 per delegate with the funds to be administered by the district.

Mrs. Brubacher moved for the acceptance of these recommendations and Mrs. Johnson seconded the motion. The motion carried.

Mrs. Ward asked Mrs. Chris Hall and Mrs. Brubacher to work with the 4 delegates, who had attended the Jurisdiction Legislative Training Workshop, toward the realization of a Conference sponsored Legislative Training Workshop. These 6 persons will have the option of drawing outside resource persons with which to work.

These materials and projects may be (1) related to the Purpose of the United Methodist Women, (2) related to a specific mission area, and/or (3) related to a specific activity.

Regional Staff Member: Mrs. Lois Kohler, Staff Member from Nashville, spoke briefly to the Executive Committee on "The Church in God's Mission."

- b. That the present plan of distribution be continued, with the following modifications:
 - 1) That each person or unit receiving the **Report** be given an opportunity to contribute \$1.00 toward the cost of the book, except those persons listed the categories "Division", "Jurisdiction", and "Others", page 23 of the **1976 Directory with 1975 Proceedings**.
 - 2) That a note, such as the following, be attached to the **Report**:

"The cost of printing the **Directory with Proceedings** has risen drastically over the last several years. Because we believe the **Report** has both current and historical value, we would like to continue to print and distribute it according to present procedures, but the cost factor is jeopardizing this plan. However, a number of individuals and units have expressed a willingness to purchase the **Report**. One dollar or more from each individual or unit receiving the **Report** and wishing to make such a contribution would be greatly appreciated. Please send your contributions through your District Treasurer, marked "Directory". Thank you."
- c. That the contents of the book remain basically the same, with certain deletions, which could be filed with the Secretary and the omission of which could reduce the number of pages and, hence, the cost. (Suggested deletions are reports of district presidents and conference officers, except where action is recommended, which reports could be available in mimeographed form at the conference or district annual meetings.)
2. That telephone numbers of conference officers be included in the Directory.
3. That each district include in its 1976 annual meeting a brief presentation on the **Report**, calling attention to its purpose, contents, value to local units and cost.
4. That a re-evaluation of the Cost-Use of the **Report** be made before the 1977 printing.

Evaluation Reports: Evaluation blanks were distributed to District Presidents, who, in turn, will distribute them to Local Presidents. January 1 was given as the deadline for each Local Unit to have its Evaluation in to the District President and District Presidents will be expected to return the Evaluations to Mrs. Ward by January 25. District Presentations: Mrs. Ward offered a suggestion that the districts share their presentation on issues and concerns with their neighboring districts upon returning

home. Realizing how much preparation had gone into the presentations, this was felt to be a worthwhile suggestion.

Article II, Section 4 (pg. 8)

Amend paragraph #1, by deleting the phrase, "with the privilege of re-election for a second term", and by rewriting the second sentence as follows: **"An elected leader may be elected for a second term, provided no officer shall serve more than four (4) consecutive years in the same office."**

The paragraph will then read: "A term of office for elected leaders shall be two (2) years. **An elected leader may be elected for a second term, provided no officer shall serve more than four (4) consecutive years in the same office."**"

Article IV, Section 4 (pg. 12)

Amend the paragraph by adding, after the words, "beyond the local unit" (2nd sentence) the following: "but at least three (3) members of the committee shall have served in a district and/or conference office." The paragraph will then read:

"the committee shall be composed of nine (9) persons, including the chairperson, who shall be elected on the basis of the size and membership distribution of the conference organization, and shall, insofar as possible, be representative of the membership of the conference in matters of employment, age, racial and ethnic backgrounds. No member of the committee shall hold any other office in the organization beyond the local unit, but **at least three (3) members of the committee shall have served in a district and/or conference office.**"

Article IV, Section 6, B, Functions (pg. 13)

Amend paragraph B, Functions, by rewriting to change the format, and make editorial changes; to include a new responsibility calling for the committee to be prepared to give interpretative opinions relative to the meaning and intent of bylaws and standing rules, and by deleting the latter part of the last sentence of the paragraph, beginning "and provide the copy for printing..." The new paragraph B, will then read: The committee shall:

- review the bylaws and standing rules and recommend amendments in keeping with new legislation adopted by the Women's Division and in keeping with conference needs;
- draft statements of bylaw and standing rule changes referred to it by the Executive Committee;
- be prepared, upon request, to interpret the meaning and intent of bylaws and standing rules;
- prepare copies of proposed amendments to the bylaws and standing rules for distribution to the delegates to an annual meeting;

—provide a copy of approved amendments to the secretary for inclusion in the records of the conference organization.

Amend the Standing Rule by changing “seven” to “nine”, deleting the second sentence, and substituting a new sentence #3, as follows: “When district and conference officers travel together with expenses provided by their respective organizations, they shall submit pro rata shares of their expenses to these groups.”

The Standing Rule will then read: “Nine (9) cents per mile shall be allowed for travel by car. When district and conference officers travel together with expenses provided by their respective organizations, they shall submit pro rata shares of the expenses to these groups. Other riders shall assume their share of the expense.”

Standing Rule No. 7, under Funds (pg. 21)

Amend by deleting the present S.R. #7 and substituting a new S.R. #7, as follows: “Within the quadrennium, the conference organization may select a representative of United Methodist Women who will be granted opportunity to attend one meeting of the Women’s Division at Division expense. Nominations for this representative shall be made by the Executive Committee.”

New Standing Rule

Add a new Standing Rule, #4, under Other Leadership (pgs. 23, 24), to read:

Persons elected to the Committee on Nominations shall attend all opportunities offered them for increasing their knowledge of the work of the committee. They shall also attend all meetings of the committee unless excused by the chairperson. (Unexcused absences which persist after efforts have been made to secure participation by the member shall be considered as a request for replacement.)

Standing Rule #1, Special Memberships, Gifts, Memorials (pg. 25)

Amend Standing Rule #1, by deleting the words beginning “a gift of Twenty-Five (25) dollars” and continuing through the remainder of the sentence, and by substituting the following: “they shall be honored with gifts of special memberships in United Methodist Women”. The Standing Rule will then read:

“When persons from the Louisiana Conference are commissioned as deaconesses or missionaries, or when women from the conference are ordained deacons, or elders, or become probationary or full conference members, they shall be honored with gifts of Special Memberships in United Methodist Women.”

COMPOSITE REPORT LOUISIANA CONFERENCE UNITED METHODIST WOMEN 1976

This has been a year of action and enthusiasm for the 14,160 members of the 369 units in the Louisiana Conference. We increased our giving to the program of the Women's Division to \$172,169.49. We are pleased with the number of women participating in leadership of the church and community. Mrs. Robert Compton was elected to lead our delegation to General Conference and Mrs. Inez Chrisentery was elected a delegate. Mrs. Charles McGowan, Miss Vernita Booker and Miss Donna Hendryx were elected to the Jurisdictional Conference Delegation.

We appreciate and are proud of Mrs. Elizabeth McGowan who has served on the Board of the Women's Division and UMCOR for four years. Mrs. Inez Chrisentery has served on the Jurisdiction Core Planning Group and Mrs. Gloria Bennett on the Regional Advisory Committee. Mrs. Dorothy Mae Taylor served as State Representative in the Louisiana Legislature. We are proud of these talented women.

Mrs. Nancy Carruth has been elected as secretary of the Regional School of Christian Mission. Mrs. Mary Ellen Gardner will serve on the Jurisdiction Core Planning Group Nominating Committee.

Many opportunities for leadership development and learning experiences were available to conference, district and local leaders and members. District Elected Leaders Workshop in October in Alexandria was attended by more than 100 persons. A Finance Workshop for the conference executive committee held in December in Hot Wells was led by a capable team from the Women's Division. Several of the districts held similar events for local leaders. The newly-elected conference leaders attended a stimulating

training session in Cincinnati in January. This is an essential experience for new officers and broadens the concept of the women's work and the Board of Global Ministries of the church. Six conference officers were delegates to the Jurisdiction Meeting in Kansas City in April.

The United Methodist Women received a Commendation from the Board of Church and Society of the Louisiana Annual Conference for the exciting Legislative Training Event held in Baton Rouge in May. Four of our members attended a LTE in Oklahoma City. The purpose was to motivate and enable women to effect change through the legislative process. This was a first for our conference and from the positive evaluation by the 57 women who attended, there will be more. Two districts held similar events.

Conference Elected Leaders and teachers attended the West Gulf Regional School of Christian Mission at Mt. Sequoyah, Arkansas. This is an opportunity to study under excellent leaders and to meet members of the Women's Division and women from other conferences.

A great experience of worship and study was shared by 330 women at the Conference School of Christian Mission at Centenary College in July. We were led by an outstanding faculty and a very capable dean, Mrs. Nell Read. Many of our districts gave scholarships to young women to attend. The many "first timers" indicated they would return. As a result of the evaluations, the first session for next year will be a day longer. Many women participated in the worship services and with table graces. A resource sharing room was opened for the first time. Sales from the literature room amounted to \$2309.85.

For the first time this year Special Recognition for Excellence of Studies was given to those units which fulfilled the requirements. Honor Roll Certificates were awarded for completion of at least two approved studies with a minimum of six hours each. Banner Roll Certificates were awarded for initiating some action as an outgrowth of those studies. Mission is an ongoing process and action is encouraged as the natural continuation of the studies.

This has been a good year for the conference executive committee. Community was strengthened as we shared a six week experience with the "Workbook of Living Prayer." We sought to strengthen lines of communication with our district counterparts through letters and visitation. Two issues of a Conferences Newsletter were published and received favorable response.

Many districts held Spiritual Retreats and our "Call to Prayer and Self-Denial" offering was the best ever. The districts are to be commended for the work and prayer that went into the research and action planning of issues and concerns that were shared at the Annual Meeting in Sulphur. Many will continue these action plans in their districts next year.

I am pleased to announce that Mary Adele Compton has been elected to serve on the Women's Disivison. We offer our sincere congratulations and support her with our prayers.

We look forward to a challenging and vital year in 1977. Our top priority is "Personal Commitment to Jesus Christ." The second goal is "An increase in membership in UMW of 10%."

United Methodist Women are Alive in Mission as we seek to fulfill our Purpose.

Amy Ward, President
